North Wales Economic Ambition Board

Purpose:

The Board is a joint-committee and is the decision-making body, responsible for the leadership, vision, delivery and strategic direction of the Growth Deal.

Vision:

For North Wales to become:

‘A confident, cohesive region with sustainable economic growth, capitalising on the success of high value economic sectors and our connection to the economies of the Northern Powerhouse and Ireland.’

North Wales Regional Skills Partnership

Purpose:

The partnership brings together employers, skills providers and key local stakeholders to better understand and resolve skills mismatches at a regional and local level.

The partnership aims to identify current and future regional skills needs, and use this intelligence to shape the provision of post-16 education and training.
