An exciting time to join the team

We're delighted that you're considering joining the Ambition North Wales team. We are a team of passionate and enthusiastic individuals who are proud to be involved in developing the North Wales economy. We are responsible for delivering a portfolio of capital projects across the region, and we've made significant progress to date. The first project was signed off in December 2021 and we are seeing many projects progress. We are currently in an assessment period to bring new projects into the Growth Deal, there has never been a more exciting time to join the team.

Ambition North Wales is a strong partnership, working on behalf of North Wales to deliver against a future vision for economic prosperity. The Portfolio Management Office has been established to deliver the Growth Deal, and support the regional ambitions for a stronger, more resilient and sustainable future economy.

Our ambition moving forward is to attract Investment into North Wales and achieve a more prosperous future for everyone that lives and works here. The Growth Deal projects will create new highly-paid jobs, attract investment and ultimately build a more vibrant, sustainable and resilient economy in our communities, for young people and for future generations to come.

We work closely as a team and we have developed a set of values that underpin how we work and what we expect from others. We are ambitious, we empower and support each other to succeed, we have integrity and do as we say we will and we respect and value people and their perspectives as we shape a great future for North Wales. We do hope you will consider applying for this position and hopefully join us on this journey.

Cllr. Dyfrig Siencyn
Chair of the Economic
Ambition Board

Alwen Williams
Portfolio Director
Ambition North Wales

About the role

Project Manager: Energy and Net Zero (Hydrogen)

The role will sit within the Portfolio Management Office's Energy Team. The Energy Team is responsible for delivering the Growth Deal's Low Carbon Energy Programme and the Regional Energy Planning across North Wales. The Programme and Plans aim to support the decarbonisation of the energy system in North Wales and unlock the benefits of developing low carbon energy projects within the region, positioning North Wales as a leading location for the low carbon energy sector.

This Energy and Net Zero Project Manager role will manage and coordinate the delivery of the North Wales Growth Deal's Hydrogen Hubs, which are anticipated to help kick-start the hydrogen economy in North Wales, as well as supporting other Growth Deal projects and energy planning work in an agile PMO team. This unique position provides the opportunity to gain excellent experience in an exciting, rapidly growing sector and play an integral role in supporting the decarbonisation of the region's energy system in a way that brings in investment, creates jobs and sustainable growth. understanding of decarbonising the energy system.

Reporting to the Programme Manager, the Energy and Net Zero Project Manager will support the development of business cases, project delivery, contract management and benefits realisation of the Growth Deal projects managed by external sponsors to ensure that they deliver on investment, job creation and carbon reduction targets. The role will include an opportunity to collaborate with a wide range of stakeholders in the sector, including local authorities, government, the private sector and our universities and colleges.

The post holder will need to be a problem solver, capable of lateral thinking, taking the initiative and with leadership qualities. Good interpersonal and relationship building skills will be essential and the ability to interact and negotiate with a wide cross section of businesses, government departments, consultants, local authority members and officers. Our ideal candidate will be an experienced project manager with a strong track record for delivery, project management, contract management experience and an interest and

Join our team

Do you have a passion for North Wales and a desire to see the region grow and deliver on its potential? Are you enthusiastic, committed and a team player?

If so, Ambition North Wales could be the organisation for you.

As a partnership of the six local authorities, two universities and two colleges in North Wales collaboration and partnership working is at the core of what we do as a team. We are looking for a collaborative individual with excellent interpersonal skills who is passionate about delivering for the region and able to develop and maintain relationships across multiple partners to drive forward our work.

While each role within the team has its own focus, you will be expected to contribute to the wider work of the team and the success of the team as a whole. We're looking for team players capable of leading their own areas but also supporting their colleagues to deliver. In return you will find a varied and interesting workload with opportunities to contribute across our portfolio.

Professional and personal development is important to us. The team at Ambition North Wales will provide you with a supportive environment to continue your development with a number of formal and informal development opportunities available. We encourage our team pursue professional development opportunities and are looking for individuals who have the desire to learn and improve.

Some of our roles require Welsh language skills while others do not. However, all team members are expected to recognise the importance of the Welsh language, our culture and heritage and be willing to improving their own language skills with our support. If this sounds like you, we look forward to hearing from you.

North Wales is an excellent place to live and work, why not play a key role in shaping its future.

Hedd Vaughan-Evans

Head of Operations
Ambition North Wales

Our Values

We are Ambitious

We strive to deliver the best for North Wales. We are leaders in our fields, opinion formers and influencers, and we challenge conventional thinking. We pursue high standards, aim to be our best, and continuously develop ourselves professionally.

We work Collaboratively

We share knowledge, skills, information and support and ensure to keep colleagues informed. We always help each other, facilitate opportunities for North Wales and recognise that our collective impact is more significant than our individual impact.

We do the right thing

We do the right thing, not what is easy. We challenge unethical behaviour and speak out when things don't feel right. We are respectful, fair and considerate and can be trusted to deliver agreed commitments on time.

We make a difference

We pursue opportunities to make a difference in North Wales. We champion the Welsh language, heritage and culture and support regional charities. We protect the environment and seek opportunities to reduce our footprint.
