Foreword: an exciting time to join

Ambition North Wales is looking for private sector representatives to join a new Business Advisory Board.

This is a rare opportunity to play a defining role in the region's growth – supporting to guide transformative investment and economic development across North Wales.

We are recruiting private sector representatives to bring insight, challenge, and vision to our governance and leadership structures at a pivotal moment. With Ambition North Wales now operating as a Local Government entity, we have new statutory responsibilities, including delivering a Regional Strategic Transport Plan, a Strategic Development Plan, and promoting Regional Economic Well-being.

We are seeking representatives with the experience, wide networks and sound judgement.

This is a time of extraordinary opportunity. Work is accelerating on the North Wales Growth Deal and we have now secured and commenced delivery of the Flintshire and Wrexham Investment Zone – together representing £400 million of Government investment, with the ambition to leverage up to £2 billion and create more than 10,000 new jobs over the next 10 years.

The Business Advisory Board will be at the heart of this momentum – providing independent strategic advice, challenging assumptions, and acting as powerful advocates for Ambition North Wales. Your contribution will help us realise our vision of a vibrant, sustainable, and resilient economy that supports businesses to grow, communities to flourish, and future generations to thrive.

We look forward to receiving your applications for the Business Advisory Board.
